IMPROVE SYLLABUS

2018

Library timing

Good department.

Teach by the simple method that students should understand

Teach by the simple method that students should understand

Nothing everything is good sir

Make it more advanced by advanced technology aids also by effective teaching method

Instuments,machine,chemical available in time

Good

Project work should be more

Improvement of lab faculties is required. Research based learning should be encouraged.

Instrument equipment

No it's just well equipped

No suggestion, just keep going on

No problem its just brilliant

not suggested

Increase the vocational courses

Overall course is good. Should be more industry or research oriented

No absolutely fabulous support for sports I loved this part very much, And a very great cooperative staff thank-you

Information about internal should be given on time

no suggestions

need quality & professionalt teaching stuff

Syllabus not complete well

Placements

Good program

Overall it good no need to make changes

More concentrated to the student

A

Everything is quite good.

No thanks

Please invest some money to maintain washrooms

library visits for students can be modified.

Library Timings can be modified.

BE MORE SUPPORTING

More Classrooms should be provided.

No thank you very much

Required library

no comment

No suggestion

Extra placement activities should be conducted.

Extra activities should be taken

PPT through teaching will be helpful to students to understand it

Excellent programme done

It's all good in program {bba}..I am yet learning now but I am satisfied with my experience.

good

Library need to be developed

Preparing of efficient teaching methods considering the student desires and intelligence enhancing.

Improve library

Improving library's

More participation of students should be taken

More guest lecture should be taken

None
